Building simple Flask applications in Docker.

About myself

Hi, I'm Leo and I'm a junior Python developer, because I don't have a multi-faceted project development experience. I have no illusions, and I understand that if you want to improve your skills and be successful in your business, you need to make every effort and devote most of your time to it.

P.S. Developer is not a profession, it's a lifestyle!

Virtues

- Responsibilityc
- Self-confidence
- Honesty
- Responsiveness
- Politeness
- Sincerity
- Zeal
- Optimism

Hobby

- Reading books
- Rock music \m/
- Painting
- Basketball
- Robotics
